REFERENCES

PROFILE

A fresh graduate who enjoys solving problems and developing user-friendly website using HTML, CSS(Bootstrap), and Javascript. Proven to show abilities by creating responsive and functional web pages for school projects. Eager to learn and expand knowledge in web development. Looking for an opportunity where I can contribute significantly while gaining professional experience in this career.

EDUCATION

Bachelor of Science in Information Technology 2021 - 2025
AMA University

- Always maintained good grades throughout my studies.

Dolores National High School

2015 - 2021

- High School Diploma

PROJECTS

WEB BASED BOARDING HOUSE NI KUYA (CAPSTONE) 2024

- HTML, CSS(Bootstrap), PHP
- designed to simplify and modernize boarding house management. It helps landlords and tenants by automating tasks like tenant records, payments, and room assignments. With a user-friendly interface and features like secure admin login, it replaces manual processes for a faster and more efficient experience.

PNP Report Monitoring and Compliance

2024

Management System with Progress Tracking and Notifications (INTERNSHIP)

- HTML, CSS(Bootstrap), PHP, PYTHON
- designed to track reports, ensure compliance, and monitor progress. It includes features for real-time updates, progress tracking, and notifications to streamline reporting and improve efficiency.

WORK EXPERIENCE

Service Crew Mcdonald

2022

- responsible for delivering excellent customer service, taking orders, preparing food, and maintaining a clean and welcoming environment. They ensure a fast and friendly experience for customers while supporting team operations in a fast-paced setting.
